Dear Sir,

Can you tell  
me the value of a copper  
cent, in good condition,  
of 1798? I think that the  
head on the face of the  
coin is intended for

Washington, and faces to  
the right. Above the head  
is the word Liberty. States  
of America and one cent  
on the back. Awaiting  
your reply, I am  
Yours truly,

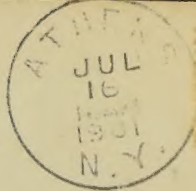

(Miss) Margaret S. Bedell.
